

## Short & Long Term Rental

### *Industry-Leading Vehicles at a Moment's Notice*

#### Do you have an unexpected need for more vehicles?

With Rental vehicles from Idealease, you can handle a short-term peak in your business, or rent extra trucks when your vehicles are in the shop. Idealease helps you meet your customers' expectations with the right truck rental for the job—when you need it. We provide flexible daily, weekly, or monthly rental programs tailored to fit your needs. We offer a wide variety of industry leading International® Trucks that are well-maintained, reliable, and clean. With more than 430 locations in the U.S., Canada, and Mexico, and more than 10,000 vehicles in the Idealease rental fleet, we cover North America like no other transportation services company.

#### The Idealease Rental Program Includes

- ✓ **Industry-Leading Vehicles**
  - Day cab and sleeper tractors
  - Dry and refrigerated straight trucks
  - Light duty trucks
  - Stake body trucks
  - Specialized equipment (such as yard spotters, wet line kits, and more)
  
- ✓ **North American Rental Program (Multi-Location Companies)**
  - All insurance documentation, credit approval, pricing, and service requirements are issued from our corporate office to our field locations.
  - Rent vehicles at any Idealease facility without having to set up individual rental accounts at each location.
  - Consistent pricing

We offer a wide variety of industry-leading Class 5, 6, 7 and 8 International® Trucks that are well-maintained, reliable and clean. With more than 430 locations in the U.S., Canada, and Mexico, and more than 10,000 vehicles in the Idealease rental fleet, we cover North America like no other transportation services company.
