

# SAFE AND HAPPY HOLIDAYS!

The Idealease Business Intelligence Team would like to thank all of you for your contributions in helping to improve your fleet efficiency and safety. We work hard to provide you focused opportunities each month to help optimize your fleet operations.

Our reward is watching the improvements being made across the country by many of our customers. Knowing we are impacting your bottom line through fuel savings and providing feedback that helps your drivers operate more safely is why we created this system.

We will continue with our newsletter again on January 4th. Until then, we wish you and your teams a Happy and Safe Holiday Season!
