

## SAFE AND HAPPY HOLIDAYS!

Idealease revolutionizes fleet operations with ELEVATE®, our proprietary Driver Performance System that improves driver safety and saves fleets millions of dollars in annual operating costs.

Sign up for the ELEVATE® Question/Tip of the Week and receive short, actionable, and easy-to-use information to help your drivers operate their vehicles more safely while reducing fuel consumption, idle time, wear and tear on equipment, maintenance costs, vehicle downtime, and more.

If you have a question or a topic you would like covered in a future ELEVATE Question/Tip of the Week, email [jerryring@idealease.com](mailto:jerryring@idealease.com) (<mailto:jerryring@idealease.com>).

Find a complete list of ELEVATE topics below.

The Idealease Business Intelligence team would like to thank all of you for your contributions in helping to improve your fleet efficiency and safety. We work hard to provide you focused opportunities each month to help optimize your fleet operations.

Our reward is witnessing the improvements made across the country by many of our customers. Knowing we are impacting your bottom line through fuel savings and providing feedback that helps your drivers operate more safely is why we created this system.

We will continue with our newsletter again on January 5th. Until then, we wish you and your team a happy and safe holiday season!

Happy Holidays!
