

On behalf of the Barrington Lions Club and all of the causes we support, and those whose needs we try our best to help, I'd like to thank each and every one of you who have participated over the past 36 years in our annual golf outing. It is our major annual fundraising event. We hope you can participate in some way, whether by playing, sponsoring or donating goods or services.

The Barrington Lions Club, now in our 90th year, is one of the oldest Lions clubs in the world. We are comprised of about 70 of the finest members, from all walks of life, whose charter is to serve those less fortunate than ourselves. In fact, our motto is "We Serve".

As Lions, we do much more than shaking the can on Candy Day and manning the Brat Tent at the 4th of July. We give our time and efforts to many local projects, assist with hearing and vision screening, help with Barrington Giving Day, support drug education in our schools, provide college scholarships, support local Boy Scouts, and support the international effort to fight blindness and other eye diseases.

We're doing all we can to assure that you will have a wonderful experience on May 22nd as you help us to raise the funds necessary to support our efforts. Your participation helps us to serve. Thank you.

William M. Lee, Jr.  
  
 Barrington Lions President
